E9-1-1 Agreement

This Agreement is by and between **"Wisconsin Bell, Inc. d/b/a Ameritech Wisconsin"** (**"AMERITECH WISCONSIN"**) (a Wisconsin corporation) and, **NextGen Communications, LLC ("NextGen")** (a Wisconsin limited liability company).

- I. Ameritech Wisconsin agrees to provide and NextGen agrees to purchase E9-1-1 services in St. Croix County, Wisconsin. If NextGen desires to obtain service in other areas served by Ameritech Wisconsin outside of St. Croix County, Wisconsin, NextGen shall so notify Ameritech Wisconsin in writing and the parties will then negotiate the terms for service for such other service areas.
- II. The terms and conditions for such the E9-1-1 Services are as set forth in Ameritech Wisconsin Tariff No. 20, Part 23, Section 3 and such tariff is specifically incorporated into this Agreement by reference.
- III. Notwithstanding the preceding paragraph, the rates for this Agreement shall be consistent with the rates charged by Ameritech Wisconsin under the St. Croix County E9-1-1 contract. Should the rates for E9-1-1 service in the St. Croix County E9-1-1 contract change, the parties shall amend this contract within thirty (30) days to remain consistent with the St. Croix County E9-1-1 contract. On the Effective Date of this Agreement, such rates are as follows:
 - \$450 per trunk group (one-trunk group per order)
 - One 1LNVX per trunk. Each 1LNVX=\$17.50 per month for the first mile, \$2.50 per additional mile (based upon a trunk length of 66 miles).
 - \$1880 Initial Non-Recurring Charge for establishing ANI/ALI/Selective Routing in the control office for the first trunk group.
 - One E8Z at \$100 per month (includes up to 1499 ALI Database entries).

The rates described above do not cover charges for any transport facilities necessary for E9-1-1 services. Such facilities shall be provided under separate agreement or tariff.

- IV. The Effective Date for this Agreement shall be January 21, 2002. This Agreement shall be effective as of the Effective Date and, unless canceled or terminated earlier in accordance with the terms hereof, shall continue in effect for a period of one year (the "Initial Term"). This Agreement will automatically renew for successive one year periods (the "Renewal Term") unless either party gives notice of termination at least ninety (90) days prior to the expiration of the Initial Term or any subsequent Renewal Term. In the event NextGen becomes a party to the current St. Croix County E9-1-1 contract or any future St. Croix County E9-1-1 contracts regarding the provisioning of E9-1-1 Services, NextGen may immediately terminate this Agreement upon written notice.

- V. By entering into this Agreement, NextGen does not waive and reserves any rights it may have to seek inclusion in and become a part of the current contract and any future contracts between the County of St. Croix, Wisconsin, Ameritech and any other local exchange carriers providing local exchange service in the County of St. Croix, Wisconsin, regarding the provisioning of E9-1-1 or equivalent services.
- VI. This Agreement shall be governed by the laws of the state of Wisconsin without regard to Wisconsin's conflict of law principles.
